The Australian Nurses Journal Index to Volume 18, 1988-89

The 'Journal' has been indexed by author and subject with entries arranged in alphabetical order. Subject headings used here are MeSH (Medical Subject Headings). Additional headings or changes in MeSH terminology needed in specialist areas of nursing follow the thesaurus published by the International Nursing Index.

The 'Journal' Index is divided into two sequences:

1. The author listing, in which articles are listed in alphabetical order, under the author's surnames:

   DE JONGH, John. 'Do you know when a child's at risk?.' No. 4, October 1988, 14-15.

   WHITE, David. 'Teaching research in post-RN courses', No. 7, February 1989, 10-12.

2. The subject listing, in which articles are listed in alphabetical order, under headings for subject:

   PAIN.
   Pelletier, Dianne. 'Pain management. A necessary emphasis', No. 3, September 1988, 17-18.

   TOTAL PARENTERAL NUTRITION.
   Anderson, Kate. 'TPN. Total parenteral nutrition', No. 4, October 1988, 11-13.
